We would suggest that persons desiring to leave a sum of money, the income of which is to be used for the care of cemetery lots, should deposit at least \$200.00.

At the present rate of interest, wherever possible, those funds the principal of which is \$100.00 or less, should be increased.

REPORT OF LIBRARY TRUSTEES

7 February 1963

The circulation of books at the Bryant and Chesley Memorial Libraries was very good this year. Non-fiction books and children's books are in increasing demand, and technical, scientific, women's, children's, popular and news magazines enjoy a wide circulation at both libraries. At the Bryant Library more than 2,000 books were borrowed since last March.

The Northwood Libraries are used by summer people as well as people from neighboring towns who often express their appreciation of the attractive buildings as well as for the privilege of use, the convenience, and pleasure they enjoy from our libraries. Favorable comment is always expressed on the interesting, timely and seasonal exhibits arranged by the librarians.

The following people kindly donated books to the libraries this year: Bertha and Mina Trickey, Elizabeth Stimmell, Mrs. Arthur West, Mrs. George Phipps, Dr. Bernard Klinger, Mr. Kennard Goldsmith, Laurie Blanchard, Mrs. Maclean, Mrs. Leslie Clark, Ross Allen, Mrs. George Richardson, Mr. and Mrs. Thomas Lalish, Mr. Dayton M. Henson, Mr. Eric Linnell, Mrs. George Freeman, Harvey Lake Woman's Club, Mr. Dana Woodman, Mr. and Mrs. George Small.

Some history and foreign language books (Greek, French, German and Latin) were left at the Bryant Library by an unknown donor.

A new walkway and steps at the Bryant Memorial Library have added to its appearance and easy accessibility.

REPORT OF PRINCIPAL

To the Superintendent of Schools:

Since my last annual report a full year in the new elementary school has been completed, and we are well into the last half of the second year.

The basic purpose of elementary schooling is to provide the child with the fundamentals and teach the skills necessary for learning in the years ahead.

The many other activities that go hand in hand, and implement regular learning are also a necessary part of the learning process. Music, one of the extra activities, I consider to be a vital part of education. James Martell, our music supervisor, has done an outstanding job in Northwood over the past few years. This year promises to be a banner year. We formed a glee club late last year. The performance given at graduation was outstanding. This year we have organized a junior glee club, a minor league, that will develop young singers for the senior glee club.

Mr. Martell has performed miracles with the school band, and this year the band took second honors in the general class at Rochester Fair. A major event will take place at the school this spring. Details for the Music Festival are in the process of being worked out.

Last year's talent show provided money for the purchase of hats for the band and additional material for capes. Great successes appear in the future of our music department.

Another proud addition to our school is the new stage curtain and drapes in the auditorium. The material was purchased from the proceeds of the mothers and daughters, fathers and sons basketball games, and from the proceeds of our "name" band, Carl's Cavaliers, dance sponsored by the eighth grade.

The mothers held two work bees and sewed the material into our beautiful curtain and drapes.

Last year's eighth grade produced and staged two one act plays that packed the auditorium with proud parents and friends.

Another first for Northwood Elementary School was our Science Fair. The reception of this science fair and art exhibit by the people of Northwood far surpassed our greatest hopes.

The fair boasted exhibits from grades one through eight and every child in the school was represented. This successful event could only have happened with the complete and sincere cooperation of all the teachers. This year's fair is tentatively scheduled for May.

An active organization in the Northwood School has been the P.T.A. The school has benefitted both educationally and materially through the efforts of this dedicated group. This year the P.T.A. donated and had installed a new six-seat swing set, and recently purchased a new TV for classroom use. Support for the P.T.A. pays off in many ways. The P.T.A. deserves the support of all the people of Northwood.

The success or failure of a school system rarely hinges on one person. It is only through the work of the teachers, and the support of the townspeople that we can successfully operate the school. I gratefully acknowledge, and sincerely appreciate, the cooperation and help rendered me by the teachers and citizens of Northwood.

Respectfully submitted,

PERCY E. GARDNER,
Principal.

The citizens and the pupils of Northwood are again enjoying a very successful year under the able administrative leadership of Principal Gardner.

Due to increased enrollment, it was necessary to add a teacher to the present staff. Mrs. Carrie L. Bartlett was elected by your school board to teach grade 3. As this pattern continues, Northwood will have a teacher for each grade.

The Northwood School band, under the directorship of Mr. James Martell, is to be congratulated for the recognition which it received at the Rochester Fair in September. The community has reason to be proud of them.

This is a legislative year and the continued increase in the cost of education will be reflected in the General Court. The need for increased state aid is inevitable. In particular, the Interim Commission Report will have far-reaching affects on the educational horizon of the State of New Hampshire.

In conclusion, I should like to express my appreciation for the cooperation given me during the year, by the citizens, school board, teachers and pupils of Northwood. I would like to commend Mr. Charles Gardner for the excellent condition in which he keeps the building and Mrs. Burbridge and Mrs. Chase for the excellent lunch program which is being offered to the students.

Respectfully submitted,

RAMON MARTINEAU,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

To the Superintendent of Schools:

In the following report I have attempted to clarify the duties of the school nurse, and to explain briefly the school health program.

My schedule must of necessity be a flexible one. However, it allows for at least one visit per week to each of the schools in the area, and a second weekly visit is frequently made to each of the two largest schools — Barrington and Epsom. The schedule is set up in this manner:

Barrington — Monday.

When a second visit seems necessary it is made on Thursday afternoon.

Epsom — Friday.

A second visit to this school would be made on Tuesday afternoon.

Northwood — Wednesday.

Nottingham — Tuesday.

Strafford — Thursday.

Changes are made as needed to accommodate the immediate needs of any particular school; in which case, the principal of the school scheduled for a visit is notified. This makes it possible, in the event of an emergency, for the nurse to be located by any of the schools without undue delay.

All pupils are examined as soon after the start of the school year as possible. Height, weight, teeth, tonsils and eyes are checked then. The hearing test may also be given at this time or be done in the spring. Inspection of hair and scalp is done at least twice yearly.

Notices of defects are sent home, and these children

again checked at a later date to determine the number of corrections which have been made. When recourse to the health resources of the state seems advisable, referrals may be made by the school nurse, and she provides application forms.

First-aid at the school is given by the nurse if she is present. Otherwise it is given by the teacher and later checked by the nurse if this appears to be warranted. Also, any child showing symptoms of illness or disease is seen by the nurse if possible. The parents are notified of the child's condition, and it is their responsibility to provide transportation home; although under certain circumstances the nurse may see fit to take the child home.

Home visits are made, either in response to a request by the parents, or when it is felt that a personal discussion with the parents might be of benefit to all concerned. As of December 31, 1962, a total of 101 home calls had been made.

I have been very graciously received by the parents, and they have been most cooperative in providing the necessary care for the children. It is this cooperation which makes a real success of the health program. I am deeply grateful for it.

I also wish to express appreciation to Mr. Martineau, the School Board and Teachers for their helpfulness.

Respectfully submitted,

DOROTHY Y. WELLS, R.N.,
School Nurse.
